Van Metre Homes Awarded Best Builder in D.C. Suburbs for Second Straight Year.

Van Metre tops Spring poll for Loudoun Times-Mirror Readers Choice Award.

Loudoun County, VA (June 4, 2014) – Van Metre Homes, is proud to announce that they have been the recipients of the Loudoun Times-Mirror Readers Choice Award for Best Builder in the D.C. Suburbs for the second year in a row. Nominated on the publication's Spring ballot, Van Metre Homes beat out fellow homebuilders Sgarella Brothers Construction, and Miller and Smith, who each tied for second place in the poll, respectively. The Times-Mirror poll seeks their readers opinions on the best local businesses four times a year, making this the first of a potential four awards that may be won in a calendar year for Van Metre Homes, which will look to repeat it's success on the Summer ballot.

The Van Metre portfolio of new homes includes condominiums, townhomes, villas, single-family homes, and active adult living. Van Metre communities are located throughout Washington, DC's sought-after Northern Virginia suburbs. Their exclusive Design Studio allows homebuyers to choose their interior finishes and options, and is located in Stone Ridge, VA. Van Metre also offers turnkey mortgage financing services, with highly competitive interest rates, through their own lending affiliate, Intercoastal Mortgage. Through the Van Metre in-house architecture team, they can modify architecture based on a community's design plan and surrounding environments. Your lifestyle is active and ever-changing, and homes should be built around your lifestyle.

Van Metre Companies is one of the area's most successful private, multi-disciplinary real estate developers having constructed over 16,000 houses and several thousand apartments, as well as office buildings and shopping centers in Northern Virginia. Van Metre communities include master-planned developments, as well as neighborhoods in smaller subdivisions and third-party planned communities. Van Metre can truly be a resident's "builder for life", with home designs for every stage of life. To learn more, visit www.vanmetrehomes.com.
